

Participation Requests Reporting Template 2019/20 for Public Service Authorities

Section 32 of the Community Empowerment (Scotland) Act 2015 requires public service authorities to produce an annual report on Participation Request activity and publish this no later than 30 June each year. Following feedback from stakeholders and in response to one of the recommendations of the Participation Request Evaluation Report published on 8 April 2020, this template has been created to gather participation request data for the period 1 April 2019 to 31 March 2020. Information provided will help inform policy and practice at local and national level as the data will be collated and shared by the Scottish Government's Community Empowerment Team. However, it is for each public service authority to make their own annual report publicly available by 30 June 2020, whether using this template or not.

Please provide information in the four sections below and email the completed template by 30 June 2020 to community.empowerment@gov.scot.
